

2004 Wave Awards

Presented during the 2004 AEA Spring Conference in Atlantic City

COMMUNITY OUTREACH

**Mount Laurel Township Municipal Utilities Authority
Teachers Workshop**

The Mount Laurel MUA partnered with the NJ Audubon Society's N.J. W.A.T.E.R.S program to offer a Teacher's Workshop. The goal of the workshop was to show teachers how to integrate environment-based education into established academic curricula. The MUA sponsored the attendance of ten Mt. Laurel teachers. The registration included the workshop, dinner, room space at Paws Farm Nature Center , and water conservation-related children's coloring books and crayons to bring back to the classroom. During the workshop, the MUA also presented its educational videos to give the teachers an idea of the tools available for them to use in the classroom.
