Re: Final Milling and Paving – October 14<sup>th</sup> and 15<sup>th</sup>  
Water Main Replacement Project – Section of Cornwallis Drive and Carteret Court

Dear Resident:

We are writing to inform you that our contractor, A to Z Site Contractors (Jackson, NJ), is scheduled to begin the final milling and paving work for the water main replacement project on Monday, October 14<sup>th</sup> and 15<sup>th</sup>, weather permitting. You should have already received a door hanger from A to Z with additional details regarding this work.

Milling will take place curb-to-curb starting on Monday, beginning with Carteret Court and Cornwallis, from Academy to York Road. During milling, access to the road will be maintained, though you may experience some minor inconveniences. On Tuesday, the final paving of these roadways will commence. Please be aware that there may be delays and restrictions during this time, including limitations on street parking.

If you have any questions, please contact Charles Shoemaker, Project Coordinator at 856-234-0062 x114.

Sincerely,

Charles Shoemaker  
Project Coordinator
