

LOW INCOME SENIOR CITIZEN DISCOUNT

A low income senior citizen discount of 50% will apply to sewer charges only. Seniors must meet certain income and age or disability standards as defined under N.J.S.A. 54:4-8:40 et seq. This calls for annual income not to exceed \$10,000, excluding certain Social Security, Railroad and Federal and State pension benefits and being at least 65 years of age or determined to be totally and permanently disabled by the Social Security Administration. Those seniors qualifying for the \$250 property tax deduction with the Mount Laurel Tax Assessor's office will automatically qualify for this discount. In addition, seniors not paying property taxes directly but owning their property may qualify for this discount, providing the following conditions are met:

- 1.) Dwelling unit is separately metered and billed by the MUA;
- 2.) Income and age or disability standards must be met according to regulations described above;
- 3.) Property must be deeded in the name of the applicant.

Please contact the MUA to register.

WELL WATER SUPPLY

Residents having a sewer account with the MUA that derive their water supply from wells may install a water meter under the regular charges and fees for meters and will be charged for sewer services at the regular customer and volume charges set forth above. For those well water customers choosing not to install water meters, the sewer charge will be the maximum amount for a 5/8" residential customer, including customer and volume charges.
